

## **Scholarship Fund Application MONTEREY BAY ASSOCIATION FOR WOMEN IN SCIENCE**

**Applications must be postmarked by ~~March 15~~ March 22**

The Monterey Bay Chapter of the Association for Women in Science (AWIS) is pleased to announce its annual scholarship for women pursuing a science degree at one of the following local community colleges: Cabrillo, Gavilan, Hartnell, and Monterey Peninsula. Each college will have one recipient who will receive \$250.

Professors at these institutions are asked to nominate students who they believe have excelled in their classes. This may be accomplished simply by providing students with an application and writing a letter of support. We highly encourage re-entry students to apply for this award. Application forms (PDF format) may be downloaded from the Monterey Bay Chapter web site-  
<http://skyler.monterey.edu/~mbawis>

### **A COMPLETE APPLICATION INCLUDES:**

- ❑ **A Completed Application Form**
- ❑ **Transcript(s)** of your high school (if you graduated in the last 5 years) or college record. The transcript may be a copy (it is not necessary to send a sealed original). Please include the courses you are currently enrolled in.
- ❑ **A letter of nomination from a science professor**
- ❑ **An Essay-** In one typed page, please tell us why you should be awarded this scholarship. Describe your school experience, your career plans and goals in the field of science.

### **Mail the complete packet of materials to:**
